"We are fortunate to have such a strong group of sponsors and players participating," said Tim Snow, president of the George Snow Scholarship Fund. "The event is a major source of funding for the scholarship fund and the young people we serve."

Other companies supporting the event include Boca Raton Transportation, Colonial Decorators, Countrywide

Home Loans, Datamax System Solutions, JSD Builders, Paradise Bank, Personalized Power Systems, Rosemurgy Properties, Stanford Group Company and Woolbright Development.

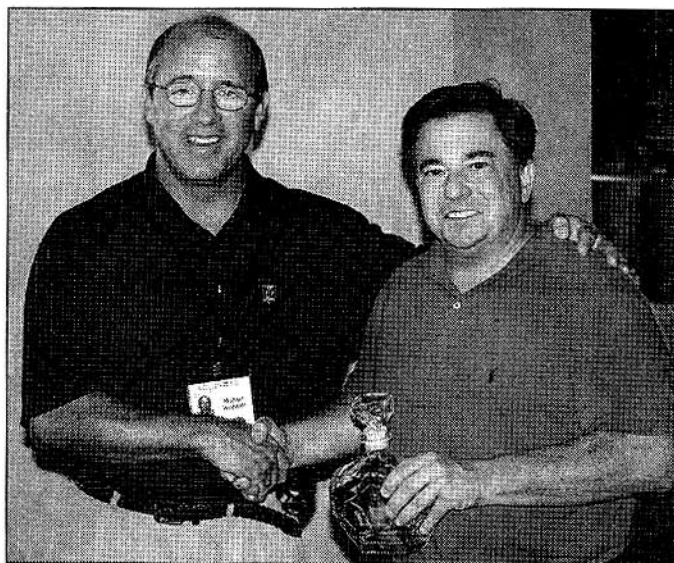

George Snow Scholarship Fund trustee Michael Weppner said, "This is a community-based effort that feels more like a reunion than a charity event."

The tournament offers a full day of events that include the Champion's Award Luncheon, hole-in-one prizes and golfing for a great cause.

Roberts is the event's presenting sponsor for the third consecutive year.

Sponsorships are available for this year's event, ranging from corporate sponsorships to in-kind support.
